5 Minutes to west Edmonton

by Stoneshire Homes in Lake Ridge Phase I

Lake Ridge Estates offers a rare chance to build your dream home on Big Lake, just steps away from the Lois Hole Centennial Provincial Park. The fully serviced, half-acre lots provide plenty of room for your estate home with the opportunity to build an outdoor oasis for you and your family to enjoy the surrounding beauty.

The area, which has been recognized as one of the 20 most important wildlife habitats in Alberta, contains a stunning array of wildlife and foliage. Home to endangered species of birds such as Trumpeter Swans, Sprague's Pipits and Peregrine Falcons, Big Lake grants residents of Lake Ridge Estates a rare view into the natural world.

Just a short drive to the City of Edmonton, Lake Ridge Estates provides a picturesque backdrop to your custom home while keeping you close to the places and people you care about. Don't miss out on building your dream house in this architecturally controlled community. We believe in building a development that reflects the natural beauty of the area - a place you will be excited to call home.
